Your application

I would like to thank you on behalf of the Faculty of Medicine for your request and your interest in applying for our offered professorship. We require your assistance in order to complete the appointment process as quickly as possible.

(1) Please submit your **application documents** *in electronic format*.

These documents are:

- curriculum vitae / academic career
- list of lectures
- list of external funds raised
- if necessary, list of operations performed (surgical experience)
- academic certificates (state medical examination, licence to practise, doctoral degree, habilitation (teaching qualification, authorisation to teach/venia legendi), board certification
- certificate of appointment (Jun. Prof., etc.)
- current proof of employment
- a bibliography of your original scientific papers - please state the impact factor from the latest version of the Science Citation Index. Journals not cited here are given factor 0.25.
- research and teaching concept; in case of health care professorship also a short overview about your views/ imaginations of health care (approx. ½ page each).

(2) In parallel, please complete the "**Short profile**". This information sheet provides us with a brief overview of applications. Please only include **key statements**, the document should be **no** longer than two pages. Please observe the designated structure and do not include **any new subsections**. You can describe your specific education, skills and interests in detail in the various sections of your written application, e.g. academic career, teaching concept, etc.

Please note that the submission of your profile in electronic form is required to complete your application documents.

Please send your documents as **one** pdf file to: berufungen@med.uni-kiel.de, stating the offered professorship in the subject line.

(3) You are requested to provide any works published on researcherid.com or present comparable meta-analyses of your citation counts (Hirsch's h-factor).

Thank you for your assistance.

With best regards

Signed

Prof. Dr. Joachim Thiery
